The above mentioned girls are competing as individuals in the National A.A.U. Olympic Gymnastic tryouts in State College, Pennsylvania. The competition lasts for two days but the group leaves by bus with the Florida State University Gymnastic Team so each girl will be absent from classes for a week extending from April 24th through April 31st. Although this is not a University sponsored activity for the women students the participation has been discussed with Miss Katherine Montgomery and Dr. Doak S. Campbell. Each girl realizes that it is her own responsibility to compensate in any way possible for academic work missed during her absence.
